

# The Excellence Fund Needs You!

The purpose of the Excellence Fund is to raise funds to supplement the educational needs at Mills High School.  
Every dollar collected goes directly to our school.

**Your donation can make the difference between a basic education and an excellent one for your child!**

Last year the Excellence Fund was able to fund some of the following, but not school-wide. Funding is still needed for:

- Teacher and administrator requests for supplies, software and supplemental materials for all departments
- School-wide technology needs, including computers and digital projectors for classrooms, and equipment in science labs
- Improvement plan designed to raise individual student scores in all Advanced Placement classes

Yes, I want an excellent education for my child! Enclosed is my check:  
(Please make checks payable to **Vikings Parent Group Excellence Fund**)

\$100 Friend     \$250 Sponsor     \$500 Patron     \$1000 Benefactor
